

Middle Intermediate – 5th Grade
2022 - 2023 Summer Reading Assignment

Dear Parents:

Summer is an integral part of your child’s education. Therefore, each student is required to read **two** books during the summer.

Students should choose two books from the following list and write a summary about **each** book. The summary should include a brief description of the main characters, setting, and important events in the story which summarize the book. The review should be 3-4 paragraphs. An additional paragraph should be added stating the student’s opinion of the book, and **why**. Students should cite their favorite, or least favorite part of the book or other examples from the story to support their opinion.

Students should also choose a project to complete for **one** of the books, in addition to the book review.

- *Create an original decorative cover.
- *Draw or make a collage of important scenes from the book.
- *Create an 8x10-sized postcard. Write to a character in the story suggesting a new way to solve the problem. The front should have a picture as a postcard would.
